GENERAL MEDICAL EDUCATION SCHOLARSHIPS

Criteria:

The purpose of this scholarship is to assist an individual who is pursuing an education in the medical field, in an effort by CHI Mercy Health to promote medical field careers that would be of benefit to the facility and the community served.

- These scholarships are intended for students seeking to complete a program in the medical field, including technician programs, certificates, 2 & 4 year degrees
- First consideration will be given to current CHI Mercy Health employees.
- The program must be accredited.
- The members of the Scholarship Committee will evaluate the applications and determine the recipient of the scholarships.
- A current recipient may reapply each year to be considered for the scholarship, while actively pursuing a medical certificate/degree.
- Applicant should be in good academic standing.
- Applicant will need to submit resume and transcripts of previous academic preparations.
- Will need to submit application and requested information no later than three months prior to start date of the program.
- Funding will be sent to the program/college once applicant's acceptance is established.
- If there are no applicants that are currently in a medical field program, and are CHI Mercy Health employee's, the next eligible applicants will be students in the community that are actively seeking a degree or certification in the medical field.
